

# Goshen Fire Company Annual Subscription and Donation Drive

**To the residents we serve in East Goshen, West Goshen, Westtown, and Willistown Townships:**

We hope this letter finds you in good health. Goshen Fire Company has been proudly serving the community since 1950. We are a nonprofit corporation providing fire, rescue, fire police, and emergency ambulance services. These services, and many more, are provided by a combination of career staff and dedicated volunteers. **We respond to over 3,600 ambulance, 600 fire and rescue, and 500 fire police calls per year.** 2020 and 2021 have been anything but normal as everyone adapts to changes associated with the COVID-19 virus. Our Pandemic Committee continues to implement strategies to help ensure our career staff and volunteers can safely respond to the needs of our community.

Even though the pandemic negatively impacted our 2021 flower sales, hall rentals and Sunday breakfasts, we were excited to be able to bring the community together for our 72nd annual Goshen Country Fair. We want to thank everyone for attending the fair; it was a pleasure to see everyone having a great time.

While we were able to recover some of our operational and fundraising losses from various grants, we need your support now more than ever to help us continue to serve our community. As you choose the appropriate subscription level that meets your family's needs, please consider adding a tax-deductible capital fund donation.

**Thank you from every member of the Goshen Fire Company.**

## WHY BECOME A 2022 SUBSCRIBER?

No one knows when or where an emergency will occur. One thing that you can be certain of is that the Goshen Fire Company will be there to help you or your loved ones in your time of need.

Becoming a subscriber not only supports the Goshen Fire Company, but it could also save you money if you need emergency ambulance services. As a subscriber, you will not be responsible for any fees charged by Goshen Fire Company for 911 emergency ambulance services that are not covered by your insurance. Many insurance plans do not cover the full cost of an ambulance transport. This cost starts at \$1,100.

### IMPORTANT
